

Novena to St. Joseph

It consists in turning to St. Joseph four times a day (it does not matter when or where) and honoring him in the four points of:

- 1. His Fidelity to Grace.** Think about this for a minute, give thanks to God and ask through St. Joseph to be faithful to grace.
- 2. His Fidelity to the Interior Life.** Think about this for a minute, give thanks to God and make the request.
- 3. His Love of Our Blessed Lady.** Think about this, give thanks and make the request.
- 4. His Love for the Holy Child.** Think about this, give thanks, and make the request.
